# SCHOLARSHIP

The Daviess County 4-H Council sponsors up to \$1500 in scholarships for 4-H'ers who will be entering college or technical school this fall or who are already in college but have not received a 4-H scholarship in the past. The amount awarded varies upon the number of qualified applicants, but the most one applicant can receive is \$1000. The application for the Daviess County 4-H Council Scholarship will require the 4-H Achievement Application. Read below for more information. The 4-H Scholarship Application, found online at <https://daviess.ca.uky.edu/4h-scholarship>, is due March 1, 2025. Do not wait until the last minute; this will take some time!!

The 4-H Achievement Program is intended to recognize 4-H participants who have outstanding accomplishments and to provide an incentive for youth to increase their knowledge, skills, and abilities. It is a comprehensive program spanning the entire career of the 4-H'er, awards points for outside efforts and interests, and encourages growth and development by awarding high points at multi-county, state, and national levels. As youth work their way through the achievement levels they become eligible for scholarships to teen summit, teen conference, and eventually college scholarships. The 4-H program year runs from September 1 to August 31 of the next year. Youth who are age 9 as of January 1 of that program year may start documenting their 4-H achievements, participation, and projects to go toward their 4-H Achievement Application. The application and more information are on the Daviess County 4-H website at <https://daviess.ca.uky.edu/4h-achievement>.
